

INFORMATION ON THE MANAGEMENT OF PERSONAL DATA RECORDED THROUGH OUR WEBSITE

Dear Client!

UTT Europe Ltd. informs you on the management of personal data recorded on our website.

1. Data controller, individuals with data management authority, data protection officer

The data controller is UTT Europe Ltd. (seat: H-2040 Budaörs, Gyár u. 2.; VAT: 14281701-2-13; reg. no.: 13-09-119506).

UTT Europe Ltd. did not appoint a Data Protection Officer since the company does not conduct data management practices that would otherwise make the appointment necessary. However, as a sign of our commitment to GDPR, we appointed our Data Protection Fellow - see 6 of the recent Information.

2. The legal basis and purpose of data management

The primary legal basis of the personal data management is the processing of personal data necessary for contractual performance. The data management is also required to comply with statutory regulations.

Should you not provide this data, we will not be able to satisfy your order placed via our webshop.

The purpose of data management is to identify and distinguish users, get in touch with them, provide tailor made experience, grant access to the use of certain services, prepare statistics, manage orders and purchases, perform contractual obligations from purchases, exercise rights and perform accounting obligations.

3. The scope and term of managed data

The processed personal data during registration are the name, email address, telephone number, company name and position.

The term of the data management is the period of customer relationship between the data controller and the concerned party, or until you revoke your consent. Should you revoke your consent after the purchase, we will manage your data in accordance with the prevailing taxation law.

The data management starts with the registration. Should we not conclude the contract or should the contract terminate, any data you provided voluntarily will be deleted immediately. Please be informed that, the deletion does not consider the legitimacy of the data management for the period before the deletion.

4. Addressees of personal data

Only our employees have the access to the provided data and only for the purposes of attending their tasks and to the reasonable extent.

In accordance with statutory regulations (online accounting data must be submitted for invoices with VAT over 100,000 HUF) and requests from authorities we may disclose personal data to authorities.

In order to comply with statutory regulations, we may disclose personal data to third parties for accounting and payroll calculations, however we do not disclose personal data to any other third parties.

INFORMATION ON THE MANAGEMENT OF PERSONAL DATA RECORDED THROUGH OUR WEBSITE

We do not make automated decisions on our website, and we do not collect your personal data from third parties. Google Analytics and Adwords software are used on the website, however only statistical data of generic characteristics are processed, individual identification is not possible.

Internal reports and statistics for targeted communication (sales / marketing) may be prepared by human intervention with regards to orders placed on our website.

5. Your rights
